THE BIBLICAL LEADERSHIP OF JESUS SELF ASSESSMENT

Most are more eager for an appointment to leadership than the task of leadership. Sending out someone to act on your behalf is the highest form of validation of your trust in that person's competence and commitment. If Jesus is appointing you as a leader you have a responsibility. If a man's gift is leadership, let him govern diligently (Romans 12.6-8).

A. Biblical Leadership Essence

Head	Ruler	Duke	Guide	Author
------	-------	------	-------	--------
